

RESCUE BOGGAN

Knox County EMA has two of these Rescue Boggans used to transport victims from remote locations. The Boggans may be towed behind snowmobiles and are located at the **Warren Fire Station** and **Camden First Aid Association**. Boggans owned by local snowmobile clubs are also available at **Appleton Fire Station** and **Washington Fire Station**.

The Camden and Appleton Boggans have the summer kit which allow the Boggan to be towed by an ATV.

These items may be dispatched by calling KRCC at 594-5656
